

XPro GK400

104-Key Mechanical Backlit Gaming Keyboard

26 Anti-ghosting Key Support

Excellent for gaming and typing, the XPro GK400 is a mechanical Multi-Color LED backlit gaming keyboard. Fast button response speed, precise tactile feedback, and a "click" sound. The top-grade PBT double-shot keycaps with matte finish provide enhanced LED shine-through and fade-resistant keys. The backlit keyboard is equipped with 6 color one each row and 9 lighting configurations. These configurations will bring you more fun when you are gaming or typing.
